Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals.

Technical SKILLS

- **Programming Languages:** C, C++, Python, JavaScript
- **Backend Technologies:** Node.js, Express.js
- **Frontend Technologies:** HTML, CSS, React.js
- **Database Management:** SQL, MongoDB, Redis (willingness to learn)
- **Version Control:** Git, GitHub
- **Other:** Agile Development, Code Review, Problem-Solving

BEHAVIOURAL SKILLS

- Leadership
- Team Player
- Problem Solver
- Disciplined and Punctual

COURSEWORK

Undergraduate:

COMPUTER SCIENCE | 2021-2025

Data Structures and Algorithms, Database Management System, Operating System, Object Oriented Programming

Interested In:

Full Stack Development

EDUCATION

- **B.Tech in Computer Science** | Mahakal Institute of Technology, Ujjain
CGPA: 7.19 | (Oct 2021 - Jun 2025)
- **XII (PCM)** | Vinay Adarsh Higher Secondary School, Ujjain
Percentage: 88.8% | 2021
- **X (MP Board)** | Vimala Convent High School, Navada, Unhel
Percentage: 89.2% | 2019

PROJECTS

❖ TechTrends Learning (EdTech Platform)

Developed a MERN stack-based platform enabling users to create, consume, and rate educational content.

- Built responsive UI, RESTful APIs, and user authentication.
- Managed deployment, testing, and ensured platform security.
- [GitHub Link](#)
- [Live Link](#)

❖ Portfolio Website

Created a responsive and minimalist portfolio to showcase projects, skills, and experience.

- Built with HTML, CSS, and JavaScript, optimized for desktop and mobile.
- Integrated sections for project descriptions, live demos, and a contact form.
- [GitHub Link](#)
- [Live Link](#)

❖ Weather Forecasting App

- Built a web app using OpenWeather API to display real-time weather data.
- Designed a clean and responsive UI with HTML, CSS, and JavaScript.
- **Project Link:** [Live Demo](#)

ACHIEVEMENTS

- Contributor at GirlScript Summer of Code 2024
- Mastered 250+ coding challenges on platforms like LeetCode and GeeksForGeeks
- Achieved a 50-day badge on LeetCode

HOBBIES

- **Sketch Art:** I am passionate about creating detailed sketches and illustrations, enhancing my creativity and attention to detail.
